June 2017 – End of Year

Principal's Message

Dear Parents and Guardians,

As the year has ended, I want to thank all of you for your commitment to the Monticello High School community. We had a wonderful year in many different ways. I am incredibly proud of our students and staff.

As you are aware, I am transitioning to Albemarle High School to serve as the principal. I am extremely grateful for my time as the principal of Monticello High School. I will truly miss the students, staff, and community we have developed here. I know that the school will continue to “*embrace students, inspire learning, and innovate opportunities*” moving forward.

I want to remind you of some important upcoming dates:

- Fresh Start orientation - August 9 and 10
- First day of the 2017-18 school year - August 23

Please continue to check our website frequently in the summer for updates and information.

On behalf of the admin team and staff at Monticello High School, we wish you and your family a relaxing, safe, and fun summer. We look forward to seeing you all in the fall for the start of the 2017-18 school year.

Sincerely,

Dr. Jesse Turner, Ed.D.

Monticello Pride Awards

The Monticello Pride Awards are given each year by school administration to individuals who best exemplify what it means to be a Mustang. One faculty member and one community member are awarded at the whole-school Awards ceremony while the senior class recipient is announced at Graduation. Congratulations to the 2015-16 Monticello Pride Awards winners.

- Conney Berger (Student)
- John Baran (Faculty)
- Chris Lilley (Community)

Golden Apple Award

Congratulations to John Baran, this year's Golden Apple Award winner!

Summer Residential Governor's School

Summer Residential Governor's Schools provide talented high school sophomores and juniors with intensive educational experiences in visual and performing arts; humanities; mathematics, science, and technology; or through mentorships in marine science, medicine and health sciences, or engineering. Additionally, summer residential programs for Virginia's most motivated and talented foreign language students are held that include full-immersion academies in French, German and Spanish; a partial-immersion Japanese Academy; and a Latin Academy.

Each Summer Residential Governor's School focuses on one special area of interest. Students live on a college or university campus for up to four weeks each summer. During this time, students are involved in classroom and laboratory work, field studies, research, individual and group projects and performances, and seminars with noted scholars, visiting artists, and other professionals. In the three mentorships, students are selected to work side-by-side with research scientists, physicians, and a variety of other professionals.

During the summer of 2017, Monticello High School will send 6 students to residential governor's school programs:

- Humanities – Lucas Johnson
- Agriculture – Piper Goodman & Sophie Condron
- l'Academie francaise – Meagan Petty & Caroline Sarpy
- la Academia española – Bryson Via

Fall Sports Information

Students planning to try out for any sport during the 2017-2018 school year must have a completed VHSL Physical form, dated after 5/1/17, on file in the athletics office prior to trying out. Forms are available in the athletics office or online at www.monticellomustangs.org

Schedules for fall tryouts are available at <http://monticellomustangs.org/2017/06/05/fall-sports-practice-tryouts-information/>

MoHS Error 434!

The Monticello Student Technology Help Desk, Error 434, is still welcoming new staffers, especially during Mustang Morning! Please contact Ms. Kessler if interested.

Mustang Drama Department

Monticello Drama had another great musical event on May 12-14 with Lin Manuel Miranda's *In the Heights*. We raised money for Sin Barreras and Creciendo Juntos with our Saturday afternoon benefit show. We also raised enough money to give college scholarships to two deserving seniors. We are very sad to say goodbye to all of our seniors, but we know that they will keep in touch. Looking toward next year, we have also formed a summer playwriting group to work on our one act entries for the fall.

Boys Soccer earns recognition

Congratulations to the following Monticello Boys Soccer team members for their all-Region 3A West recognition!

- Noel Lara, Forward
- Fabricio Turcios, Midfield

Girls Lacrosse Advances to State Semi-Final

The Mustangs traveled to Riverside High School to take on the Rams in a state semi-final matchup with the hopes of making it to the state finals. But it wasn't to be. The Rams showed why they are undefeated on the year as the Mustangs ran into an offensive juggernaut. The Rams displayed precise passing and shooting ability, particularly in the first half, as they jumped out to a 13-2 halftime advantage.

The Mustangs proved they deserved to be in the state final four also, never quit despite the large deficit, playing the Rams pretty evenly for the second half, but could not close the gap and ended their incredible season with an 18-6 defeat.

The Mustangs were led in scoring by Josie Mallory and Meghan Walin with 2 goals apiece. Carly Harris ended her amazing Mustang career in the goal cage with a 10 save performance.

Congratulations Mustangs on a great season. You are a very special team.

Thank you Chloe, Sydney, Kendall, McKenna, Sophia, and Carly for letting us be a part of your 4 years. Best of luck to each of you in all that you do in the future. You will be missed. Just remember, no matter where to go, or what you do, you will always be a Mustang, and you will always be a part of the first Mustang Girls Lacrosse team that qualified for states.
